

## CONTRACT FOR UTILITY SERVICE

As the property owner / manager of record at \_\_\_\_\_  
I/We hereby authorize renters with a valid lease agreement signed by me to set up  
a utility account at the above referenced location.

Should the resident / tenant move out and cancel utility service at the above  
location, I hereby authorize the following utilities to automatically be transferred into  
a utility account in my name:

*Check all that apply (sewer will automatically bill for an active water account).*

Electric	<input type="checkbox"/>	Water	<input type="checkbox"/>	Sewer	<input type="checkbox"/>	Storm Water	X
----------	--------------------------	-------	--------------------------	-------	--------------------------	-------------	---

I/We understand that the City will bill said address to the undersigned as of the  
date of the resident / tenant moves out and cancels utility service.

**I/We understand that when a renter discontinues utility service at this  
location, the City will turn off the electric and water service, typically within  
24 to 48 hours, unless there is authorization to transfer electric and water  
service into my name.**

I/We agree to pay the City for and use such utility service in accordance with the  
City's rates, rules, terms, conditions or regulations applicable to the associated  
utility service.

If I/We fail to pay for said service, this Application is immediately Null and Void and  
future service will be denied.

By signing this document, I/We represent that I/We have authority to make this  
Application.

**This application only applies to the address listed herein and does not apply  
to any other address owned by me/us. I/We recognize the duty to make  
application to the City for other addresses not listed herein. This specifically  
does not apply to non-pay disconnects.**
